

TEAM BUILDING

Another addition to SCI's Executive Recruitment offering

SCI Recruitment would like to thank all our clients and candidates for their feedback on our new Executive Recruitment & Search offering. When we founded SCI we felt the market was ready for a new type of company with strong client focused approach. Now we know it.

In line with our promise to constantly dig deep and challenge the status quo in the New Zealand market for the benefit of our clients and candidates we have a new original addition to our services. This is another first for SCI and the industry in New Zealand that will add value to our clients.

To reflect our philosophy around building long-term relationships with our clients SCI Recruitment offers your organisation a unique team building experience with strong continental European flavour. Place two senior roles within your team through SCI Recruitment within a two-month period and we will give you a free unique team building experience for up to 12 participants.

What better way to ensure that, through using our services, your organisation not only recruits the best talent available in the market but it retains it long term by building a positive team based environment. Full details on our new offering are available through our Auckland office.

We look forward to working with your organisation.

For more information on this offer and our services please contact Steve Ignatov in the first instance on 09 962 5687 or email Steve at steve@scirecruitment.co.nz
